Hi John

We have not pursued that yet – other than looking at the few aerial photo's in the online version of the RI. The resolution of the online photos is not great – I can interpret those but only given 10 years of looking at the actual photo's in our R9 offices.

This is one of several follow on items that we will be discussing in the coming weeks.

Thanks for the expedited review!  
John

Hi Loren and John

This Memorandum is ready for your review. Please review and let us know if you would like to discuss any proposed changes.  
We are on a short turnaround with this project and would like to get a final to Enrique tomorrow. I have reviewed it and Keith has incorporated my comments.

Many thanks to Keith for his excellent work in a very compressed time frame!

Thank you all!  
John

Hi John,

Please find attached the final draft Memo in Word (w/out the Simanonok Interview), and a PDF version with it. I think we are good to go now but LMK after your review.

Actually I did this regarding the DDT definition:

**Ex. 5 Deliberative Process (DP)**

# Ex. 5 Deliberative Process (DP)

Let me know if you see anything further that needs to be addressed.
